Food Meals are available in the restaurant at standard prices (self-service). Meals can also be ordered at least one day in advance through the ward (pink card). In this case you may eat in the Casino. The costs of this are charged to the patient.		

For a fixed period of time only, visitors may also stay overnight in the patient's room in absolute exceptions. This is at the clinic's discretion. The costs of CHF 120 per night for overnight stays, including breakfast, will be charged to the patient with his/her signature.
